ON THE GO™

MAKE CLEANUP EASY

Wherever Your Sport Takes You

Mud. Sand. Dirt. If it's out there, you're sure to ride through it, wear it, or play in it. It's just part of the game when you call the outdoors your playground. But now, with the Nomad portable power cleaner you can leave the outdoors where you found it.

With 3.5 gallons of mud-blasting, sand-rinsing, dirt-eliminating power, the Nomad makes quick work of almost any mess you can find out there.

Clean the field off the kids after the game.

Wash the trail off bikes.

Keep the grill, cooler, and cookware looking like new.

Rinse the beach off kids, toys, and the car.

Spray the trail off your horse, gear, and trailer after riding.

PORTABLE POWER CLEANER

Features

Powered from Any 12 Volt Power Port

Delivers a constant source of power for ON THE GO™ cleaning.

User Adjustable Spray Nozzle

Adjusts from a 90 PSI jet stream for power cleaning to a soft mist for washing you or the kids.

3.5 Gallon Tank

Gives you plenty of water for large cleaning jobs.

Zippered Storage Pack

Removable neoprene pack is durable, flexible, and large enough to hold all your cleaning accessories.

Over-Molded Handle, Cap & Spray Nozzle

It's all about the comfort.

Swiveling Hose Quick Connect

Makes connecting a snap and will keep the 20-foot abrasion-resistant hose from kinking and twisting.

Available in orange MPINR35
and green MPINR35GRN

READY TO USE

In Three Quick Steps

1. Fill Up

Unscrew the cap and fill the tank with up to 3.5 gallons of clean water. Make sure the fill cap seal is in place before replacing the cap.

2. Make The Connection

Pull back the quick disconnect on the hose. Push the quick disconnect into the hose connect and release. Check to make sure the hose is securely attached. Repeat steps to connect the other end of the hose into sprayer handle.

3. Give It Power

Attach the power cord to the unit by pushing it firmly into the power cord connect, then plug the adaptor end of the cord into any 12 V receptacle such as a vehicle cigarette lighter or power port.
